

Presentation Medical Center in Rolla, North Dakota, is seeking **three** Physician Assistants / Family Nurse Practitioners to staff our established Emergency department as we bring coverage in-house. A provider can expect compensation between \$128,000 - \$133,000 annually for covering the emergency department approximately 18 weekends and 70 weekdays per year. Benefits including medical, dental and vision insurance, along with malpractice insurance and reimbursement for CME are also offered. Relocations assistance is available. Providers who apply should be ATLS, ACLS and PALS certified.

We are a 25 bed Critical Access Hospital, providing services including acute care, surgery and emergency care.

Our community is located in one of only five counties in the state that is increasing in population. We are located on the edge of the Turtle Mountains, a picturesque setting for a vibrant community.

If you like outdoor activities, Rolla is the perfect community for you! We have all four seasons and each is pronounced like nowhere on earth. Rolla is a town of 1,500 people but is the business hub for a county population of nearly 15,000. We have businesses to suit every need, along with an updated airport, spacious parks and the best and most challenging nine-hole golf course in North Dakota.
